PROFESSIONAL EXPERIENCE

Independent Curator

2016 - Present

- Develop and curate exhibitions that highlight underrepresented voices, fostering cultural awareness and dialogue.
- Design and implement accompanying public programs, including artist talks, panel discussions, and interactive workshops, to enhance community engagement and audience participation.
- Create educational materials, such as exhibition brochures and wall texts, to contextualize artworks
- Lead the installation and de-installation of exhibitions, ensuring proper handling of artwork, accurate placement, and adherence to curatorial guidelines for optimal presentation

Producer

International Festival of Arts & Ideas | December 2021 - July 2023

- Assisted in the planning and execution of festival programming for in-house productions, working closely with production teams and artist services to ensure artist and audience needs were met
- Negotiate contracts in coordination with the Director of Programming to secure artists and productions within budget constraints
- Write and issue offer letters and draft contracts for artists and performers, ensuring clarity and alignment with festival policies
- Attend performing arts conferences and industry events to scout talent and cultivate relationships with emerging and established artists
- Worked collaboratively with festival leadership to support operational efficiency and program delivery

Academic Department Assistant

Connecticut College, Department of Art & Art History | Feb 2020 - Dec 2021

- Served as gallery liaison, coordinating with guest curators and artists to facilitate seamless communication and support for exhibitions, ensuring alignment with curatorial vision.
- Created and edited didactic texts for exhibitions, collaborated with installation crews and student teams, providing logistical and technical support for exhibit setup and breakdown.
- Managed procurement and inventory of gallery supplies, organized opening receptions and related events, overseeing all aspects from planning to execution, ensuring successful event management.
